OC3 2025 main event will be live from Berlin

The Open Confidential Computing Conference will be for the first time in a hybrid format: streaming live from Amplifier Berlin (<https://www.amplifier.berlin/>).

Why sponsor?

OC3 2025 is the major event for confidential computing, reuniting the community since 2021.

- 1,000+ attendees from all over the world
- 500+ leads who opt-in to email/phone communication (cost per lead below €50)
- Expert sessions in two tracks on four main topics:
 - Tech foundations
 - Apps & solutions
 - Cloud-native
 - Confidential AI
- Hand-picked keynotes, panel discussions, use cases, and technical talks
- Great networking opportunities and visibility
